Title: Consider and Act on Issuance of Request for Proposals for Stapp & McCampbell Storm Project

PURPOSE: Authorize staff to publish an RFP for repairs needed to the Stapp & McCampbell storm water system.

BACKGROUND AND FINDINGS: This project is one of fifteen being done through the CDBG-DR grant. The GLO has finally released the environmental clearance and given the approval to proceed with construction. This a project as a result of damages from Hurricane Harvey. The storm system along McCampbell, Stapp, Rife and King will be replaced. When bids are received, staff will bring a recommendation for approval back to Council before proceeding with construction.
