Title: Consider and Act on Issuance of Request for Proposals for FEMA Storm Pump Station Repairs

PURPOSE: Authorize staff to publish an RFP for repairs needed to Storm Pump Station #1 and #2

BACKGROUND AND FINDINGS: During Hurricane Harvey, The City's storm pump stations took damaged from high winds and debris in the wells. This project consist of the complete replacement of pump, engine and housing structure at Maddox Storm Pump Station (#1) and the replacement of pump and engine at Goodnight Pump Station (#2). The engineers have prepared plans and specs and are preparing the bid packets to go out for bids. This project is a FEMA project and will be covered at 90%. City seeks to advertise for proposals for the services required to perform this work. Project will be advertised for two weeks and then brought back to Council with recommendation to award contract.
