Title: Consider and Act on Issuance of Request for Proposals for FEMA Construction Management Services

PURPOSE: Authorize staff to publish an RFP for Construction Management Services for various FEMA projects.

BACKGROUND AND FINDINGS: The City currently has four (4) remaining projects under FEMA going into construction. One of the project is the bulkhead at a cost just over \$2 million. The City is seeking assistance with construction management services for the remaining projects. These services will be covered at 90% by FEMA and the State will cover 75% of the remaining 10%. City seeks to advertise for proposals for the services required to perform this work. Project will be advertised for two weeks and then brought back to Council with recommendation to award contract.
