Title: Resolution supporting Water Resources

PURPOSE:

Consider and Act on Resolution supporting a study of water resources and the future water needs of San Patricio and Aransas Counties

BACKGROUND AND FINDINGS:

To perform a water study to evaluate the long-term water resources and future water needs of San Patricio and Aransas counties. There continues to be commercial and industrial growth continues which require allocation of large quantities of water.

The design, cost allocation and administration of the study will be developed and overseen by a committee of the city managers or designated administrators for the participating cities, and the City of Aransas Pass will participate in the cost of the study. Once the cost allocation has been develop it will go back to participating municipalities for approval.

The following cities have taken action to approve the resolution: Ingleside, Portland and Gregory. Other cities that have expressed interest but not yet taken action are Aransas Pass, Ingleside on the Bay, Odem, Mathis and Rockport.
